I have completed this client intake form to the best of my knowledge. I understand the massage services are designed to be a health aid and in no way substitute a physician's care when indicated. I understand massage therapists are not qualified to perform spinal adjustments, diagnose, prescribe, or treat any physical or mental illness. If I experience any pain or discomfort during the massage, I will immediately inform the therapist so that pressure/stroke may be adjusted to my comfort. I agree to inform the therapist if I have any post massage concerns and agree to keep the therapist updated as to any changes in my medical profile understanding there shall be no liability on the therapist's part if I fail to do so.
